《Abstract》

FUKUSHIMA GALILEI CO. LTD. (Headquarters: Nishi-Yodogawa, Osaka; President: Go Fukushima) is pleased to announce the opening of its first overseas showroom in Bangkok, the capital of Thailand.

Since establishing its Hong Kong subsidiary in 1997, our company has been supporting Japanese companies in their overseas expansion and selling products to local customers across 12 locations in 11 countries, primarily in Southeast Asia. Last year, we formulated our mid-term vision for overseas operations, "GALILEI Global Vision 2030," to accelerate the development of growth strategies and investments. The establishment of the showroom in Bangkok is part of this strategy. Through the showroom, we aim to better understand the needs of local customers and strengthen our proposals utilizing our expertise in freezing and thawing technologies. Furthermore, we plan to open additional showrooms this fiscal year in Vietnam and Indonesia, in addition to Thailand.

◆ Showroom features

• Convenient Location in Asoke-Sukhumvit

The showroom is situated approximately a three-minute walk from BTS Asoke Station and MRT Sukhumvit Station, the busiest transit points in Bangkok, making it easily accessible for visitors.
